### Cherry Popper!

Last Last year I finally moved away from my sleepy backwater town, and where else would a girl itching for lots of sex go than to the big bad capital, London. Even so, having no idea how to go about getting myself invited to swinger parties, it was at least six months before I got my bearings. I met a couple who told me they were swingers and that they were having a party the very next weekend if I wanted to come along. Damn right I did!

Walking up their garden path, I was a mixture of feelings. On the one hand I was horny as hell, my mind playing in graphic details every fantasy I'd ever had about orgies, while on the other I was scared stiff!

For the first hour, it was just like any other house party I had ever been to – quite boring really, just a lot of mingling and small talk. But things changed the more the drinks began to flow.

It started with this big guy on the sofa and his small girlfriend indulging in some face sucking. Everyone was glancing their way, watching. I realised later, for them to make the first real move.

The guy began to grope the girl's small breasts, eventually unbuttoning her blouse to reveal a half cup bra, her rock solid nipples poking out from above the lacy material.

It was like a watershed moment, as they were joined on the sofa by another couple, who sat either side of them, the guy helping himself to a piece of the topless girl's boobs while his girlfriend in turn began to undo the big guy's trousers, fishing out an impressive looking erection. Looking around me, it appeared that everyone had

taken it as their cue to undress, and soon the room was full of naked people, licking, kissing, sucking and fucking each other. Then Mike, the man whose party it was, appeared beside me, starkers. "Are you okay there, Jennie?" he asked. "I guess you're wondering how to begin. Come with me, I'll introduce you to a few people, see who you like the look of, yeah?" My pussy was grateful – it was drenched with juices from being exposed to so much sex in such a confined space. Taking me into the back room, where just like before, everyone was starkers and in the middle of a big sex party, he told me I should get undressed if I wanted to and come and join the fun, sitting down on the floor and rubbing his hands over a woman's thighs who was lying on her back, getting eaten out by this slip of a girl.

I stripped as he watched me, feeling ever so sexy as I watched his dick begin to thicken.

"Come and sit beside me," he said and I did. "Isn't she sexy?" he asked, nodding toward the woman getting head. But I wasn't interested in watching any more. I reached out for his dick and said, "This is what I'm interested in."

He knew it was my first time at an orgy, but I think he must have realised that the time for watching was over and that I needed a good hard fuck to get me nice and

relaxed if I was going to stay the course.

"Well, I can never refuse a beautiful woman," he said and kissed me hard on the mouth, pushing me down to lay beside the other woman and eating my pussy out like a man possessed of an unquenchable thirst. I had to stop him and tell him that I needed a big dick up my twat before he made me cum. I rolled over and told him to fuck me from behind.

He pushed his fat cock up me and I looked down at the woman beside me.

The right thing to do was kiss her, I thought, but before I could do that, a thin cock with a slight bend in it appeared before my face. I took it into my mouth and was slightly shocked when its owner began to fuck my

mouth, sliding himself in and out slowly.

It was the most erotic thing I had ever done in my life up to then – everywhere I looked people were fucking. Mike was screwing me with such aplomb that when I came I felt no shame it letting the whole room know it.

Soon, the dick in my face was gushing spunk on to my chin and others around me were groaning their way through their own orgasms. Now I hold my own sex parties, but I have to thank Mike and his girlfriend for introducing me to so many like-minded people, and for helping me to pop my own swinger cherry.

Thanks guys and hope you read this letter!

Jennie, London

# BONNIE

We're very well aware that you ladies like the sexy European type, but sometimes so do we! If we were able to speak with an Italian tongue we would be saying all sorts of sweet nothings to Bonnie and trying our very hardest to use our tongue and lips elsewhere too! Our pervy thoughts were only enhanced when she turned up in a full-body crotchless fishnet outfit! "If you can't speak to me in Italian and tell me what you want to do to me, actions speak louder than words!"

# KYRA

We think happy-go-lucky Kyra Hot is an Escort girl through and through! "I'm not sure what you mean by that, but I'm guessing that it has something to do with me loving to take my clothes off and fuck around whenever I get the opportunity!" Yes, that's exactly what we mean, but there's more to being an Escort girl than just that! You need to have that special dirty streak in you that most girls just don't have! "Oh, I've got that in abundance! Can't you tell from my photos?" We most certainly can and we're sure that our readers will be enjoying every inch of you and nagging us to get you back in the magazine as soon as we possibly can! "Just tell me when and I'll be there!"

# REAL WIFE SEX

Donna's Dirty DVD Service Is Growing Strong!

My partner Tim and I have been into the swinging scene for about five years now – and we've only been together for six!

We've done a bit of dogging, plenty of wife swapping, quite a lot of swinging via contact mags, and also at certain sex clubs. We've also had quite a lot of exhibitionist sex: fucking in places where we knew we'd be caught, like at bus stops or in view of a fairway of a golf course!

We have had some great fun in all our sexual adventures (which is why I'm writing in to tell you about one!), but there's always one particular problem that always restricts what we get up

to – the area we live in is fairly remote and it has a really close-knit community. In other words, everybody knows everyone else's business!

Although we're in no way ashamed of our lifestyle, there are people in the community who wouldn't approve and, as we have jobs and kids to think about, we're not about to go public! This means that if we fancy any swinging or dogging action, we have to sneak off for a dirty weekend. That's fine, but there are limits to how often you can get away, and

stretched my tight arsehole too!

It was so good seeing Karen bent around Dennis's body as his cock plunged deep into her holes, that we contacted them again to see if they wanted to meet up with us, and get it on for real. They did, and they asked us to bring our DV cam, as they wanted to film the whole thing!

We arranged to meet at a hotel half way between us as they lived quite a long way off, and when we all arrived, we found that we got along like old friends – so much so, that after a couple of drinks we retired to their room. The guys set up both cameras while Karen and I chatted away. Once the cameras were all in place and filming, Karen and I began kissing and undressing each other. We were both extremely turned on, and nothing felt forced – it all felt very natural.

It was really nice to gradually reveal her curvy form and feel it for the first time. We were both eager to taste each other, so I clambered on top of her on the bed, so we moved into a sixty-nine.

Her shaven pussy tasted just as good as had imagined as I had watched her on screen, and I enjoyed hearing her emit a small moan as I licked over and around her love bud. I glanced over at the guys, and it looked like they were ready to join the action, both starkers and both wanking away at their erect pricks.

After Karen and I had eaten our fill, I grabbed Dennis and kissed him. Then I slithered down his standing body to his beautifully hard cock. I licked along its length, and then sucked as much as I could of it into my mouth. I sucked his cock for a while, concentrating so hard on it I lost a sense of how long – or even that Tim and Karen were also in the room!

Self-conscious now, I stopped my sucking and Dennis seemed to take that as a cue to flip me over and onto all fours on the floor. Now I could clearly see my boyfriend and Dennis's wife; Karen was kneeling on the floor and Tim had his cock in her cleavage getting a tit wank!

It was a sexy sight, and I wondered what it would look like on screen later. Just as I was considering that thought, Dennis's cock rocketed into my snatch making me gasp with both surprise and delight!

Obviously sensing how I like to be shagged, he rammed into me hard and steady, rocking me forwards and back with the sheer force of it. I used one hand to twiddle my clit too, all the while watched Tim and Karen.

Karen was on her back on the bed, now; she lifted a leg over Tim's shoulder as he stuck his dick deep into her. I watched them fuck as Dennis rhythmically pounded into me – it was so hot that I wanted to savour this moment!

That did it, and I felt myself coming, my moans starting to get a bit louder, panting and groaning as Dennis's dick worked to get me there.

Karen was all red faced, having climaxed, trembling, on my man's dick. I wasn't going to be far behind, and finally began cumming just as I saw Karen swallowing Tim's full length into her mouth!

As I reached the end of my orgasm I felt Dennis pull out of me, before a warm gush of jizz covered my arse cheeks. I rested a few seconds and watched Karen take Tim's load over her face – which was the most incredibly sexy sight!

It was a great night – and Dennis edited the footage from both our cameras into one excellent DVD. It's definitely the hottest in our collection and I would fully recommend the experience to anyone!  
*Donna, Doncaster*

also for how long, so we came up with our own little solution! Now, I'm sure if you print this letter, a load of your readers will have already been doing this, but we had only just thought of it and it's working well for us! Our little hobby is swapping videos (well, they're DVDs actually, but you know what I mean) with other couples, of Tim and I screwing each other in various guises and positions. We send a DVD to them, and they send one back of them fucking. While it's not the same as being able to meet them in the flesh, it certainly helps to keep things interesting! This one couple that sent us a disc seemed like they were very well matched for us. Karen was curvy with big tits, and I knew Tim would like to dig his cock deep into her. Her husband Dennis was right up my street, too. We shagged so hard while watching Dennis fuck Karen's cunt, and then her arse. Tim flipped me over when Dennis swapped holes on screen, and

## Strap Tease!

A dildo is a girl's best friend. I've got several of different shapes and sizes. I have got one really big cunt-buster, but I only use that on special occasions. The pride of my collection is a large black strap-on

I remember the first time I used it. I bought it from a sex shop and when I got it home I couldn't wait to use it. I was casually seeing this girl called Chloe so I decided to give her a ring to see if she was up for a shag. Of course she was. She said she'd be round in half an hour or so.

She is a fucking sexy little minx. She's short and very petite, has a fantastic figure and is tremendous in the sack. Like I say, we had a casual thing going - we were good friends who happened to like fucking each other.

I couldn't wait to get cracking so I told her I had something to show her. Her eyes narrowed in a crafty way when I showed her my purchase. We started kissing straight away and I told her I wanted to fuck her hard. I was very passionate because I was gagging to nail her. I ran my fingers through her hair and lifted her top over her head.

I lowered my mouth around her pert tits, kissing and flicking at each erect nipple with my tongue. Then I nudged her round towards the bed, still sucking her tits, and laid her down. I pulled off her shorts to reveal the tiniest of G-strings, already wet. I kissed her thighs and worked my way to her sweet pussy. Pulling her G-string to one side, I gently kissed her shaven mound. I began to lick her puffy pussy lips up and down. She started to breathe heavily as I applied more pressure with my tongue. By the time I reached a finger round to rub her clit, Chloe was writhing on the bed and running her hands through my hair. I pushed my tongue inside her as far as it would go and frigged her clit. Soon she rewarded me by cumming juicily into my mouth.

I then took her panties in my teeth and peeled them down over her thighs and off. I told her to turn over and I slapped her arse, the universal sign for 'get in the doggystyle position'. She obeyed wordlessly, curving her back low and sticking her arse up in the air.

I got off the bed and started to buckle up the strap-on. Chloe

was literally trembling with excitement as she looked over her shoulder to see me gearing up to fuck her. As I pulled the last buckle tight I slapped Chloe hard on the arse and she moaned out loud, desperate to be done. Her pussy was already dripping so I didn't bother with any lube.

Instead I knelt down behind her on the bed and parted her pink pussy lips with two fingers on one hand. With the other hand I guided the end of the phallus towards her hole and, with a nudge of my hips, slid the first inch inside her. As soon as she was entered Chloe started sighing and moaning. She was as turned on being fucked as I was fucking her. With another slow thrusting motion of my hips I eased another couple of inches inside her. It glided in effortlessly, lubricated as it was by a cascade of cunt

juice

With one final triumphant stroke I thrust the remainder of the strap-on into her cunt. She gasped as my thighs pressed against hers, the entire length deep inside her. I let out a little moan as well, the purpose made bristles on the inside of the strap rubbing against my clit as I thrust. From there I eased the fake cock almost entirely out of her before plunging it back inside. I continued to take long deep strokes, building up speed as I did. As my pace increased, so did the frequency and volume of our cries.

Chloe had a big plastic cock slamming in and out of her juicy pussy and I was getting my clit massaged while I watched Chloe's pussy stretch.

What a beautiful sight! Chloe had already cum three or four times by the time I felt an orgasm approaching.

I shoved the strap-on all the way inside Chloe and started grinding my hips against it, rubbing my clit like crazy. Her ecstatic cries spurred me on until I was overcome with an incredible orgasm. I writhed and shuddered and screamed.

Later on Chloe took her turn to fuck me with the strap-on, and I could feel why she got so excited. Different to being fucked by a guy with a real cock - but just as good. Amy, Hants

We weren't responsible for this photo set, and we've never met Cheryl before, but thanks to one of our roaming photographers we'd like to introduce you to Miss S. "The 'S' stands for sexy as fuck!" Thank you for clearing that up, we were wondering! It's always nice when a model invites us to her house for a photo shoot as we tend to get cabin fever when we spend too much time in our office studios! And it's even better when we're greeted with a full-on fry up and a cup of tea! "I like to be the hostess with the mostest!" Jenny told us as we tucked in to our greasy feast. "I thought you could do the photo set of me on my sofa. After all, this is where all of the action happens, and it's so much easier cleaning spunk off leather than it is from my bed sheets. The inner pervert in us wanted to ask for a demonstration, but the professional hat that we always wear said that it would be a bad idea to even ask!"

Moist by name, moist by nature, right? "Ha ha, like I've never heard that before! But you're kind of right, I do have a bit of a reputation for being a bit on the wet side when it comes to my nether regions! It's not my fault, I can't help it. My pussy just turns into a gushing open hole the moment I think about having a nice hard cock inside it. And I do also have a problem with squirting once I have that hard cock deep inside me!" "Before we get started, just because I'm dressed all slutty in a back-end road, please don't make it seem like I'm a hooker to all of your readers!" OK! So, we know that you're in the parking lot behind our offices and not down some seedy side street in Soho. But if our readers want to think otherwise, we can't stop them from letting their imagination run wild! That is the whole point after all!

We can't leave Zara Mae alone without her finding some sort of object around the house to fuck herself with! "How can you be cross with me? What guy wouldn't be happy having a fit woman like me fucking themselves with a giant cucumber on the kitchen worktop? I get that you might be intimidated by the size of it, but at least I left the plastic on so that you can eat it for dinner tonight!" We'd have preferred it if you'd taken the plastic off so that we could have some Zara flavoured salad for our supper!

Not that us guys over here at Escort are insecure, but when a woman holds a tap measure out and indicates that she likes a cock that stands to attention at nearly eight inches, there are a few uneasy faces popping up around the room! "Oh, don't be so up tight, I'm quite easy going when it comes to cocks, eight inches and thick is ideal but I'm more than OK as long as it's no smaller than five inches, that's my cut off point!" Looking around the room those same faces look just as white as they did before! Maybe we should just ban all measuring devices from the building from now on!

## Driller Thriller!

Just because I munch on muff, that doesn't exclude me from getting a good shafting too, you know! I've had roughly the same amount of boyfriends as I have girlfriends, but I've had more one night stands with blokes than I have with girls. One boyfriend of mine had quite an impressive cock, I remember. His name was Phil and I was seeing him for a few months before he got pissed off with me copping off with girls all the time. Dozy twat, most blokes would be keen as mustard to join in!

I really wanted to get both my holes plugged at once. Phil's cock was too big to

go up my arse, not for want of trying, so I decided I'd use one of my dildos on my arse while Phil slammed my pussy with his cock. I introduced Phil to the idea one night, and as you can imagine he was well up for it. We had a shower together to get in the mood. Then in the bedroom I lay down on the bed and Phil gave me a good long licking out, getting my pussy nice and wet. Then I got Phil's cock out and sucked it until it was fully erect. Without further ado I jumped onto the bed and got on all fours. Phil got in behind me and rammed his big fat cock into my juicy pussy. He began slowly sliding in and out of

me, his cock glistening with moisture as it glided back and forth. I closed my eyes and let him drill me for a while.

After a few minutes I was nice and relaxed, just taking a nice easy fucking. Then I reached into the drawer beside me and pulled out my smallest dildo. I also pulled out a bottle of lube. I told Phil to put his hand out, and when he did I squeezed a big load of lube over his fingers. I told him to finger my arse to get it ready for the dildo.

He kept up a good rhythm fucking me while he inched a finger into my arse, making me gasp as he did. As I rocked forward to the rhythm of Phil's steady thrusting I applied a generous amount of lube to my trusty dildo.

Reaching behind me, I pressed it up against my twitching arsehole. To my

surprise it slid home easily. I began pumping it in and out of my arse in time with Phil's meaty cock.

I got a bit carried away and, chucking the dildo to one side, I told Phil he could stick his cock up my arse. He was over the moon! Pressing his big shiny helmet against my ring, he slowly applied pressure. For a while it seemed like it wasn't going to happen but then, as if by magic, my anus acquiesced and his cock popped inside. He nudged it gradually further inside me until half of his big tool was wedged in my arse. He began to pump it very slowly in and out of me, driving me wild. I'd never been so full of cock in all my life and I was fucking loving it, creaming like a Friesian. It wasn't long before Phil pulled his knob and out and fired his goo all over my arse. I rubbed our mixed emissions all over my bum cheeks in ecstasy. Paula, Berks
